SENIOR CLASS HISTORY

Just four short years ago in August of 1946, we entered the Norris City High School, with an enrollment of 77 which was one of the largest in recent years. In the following year they reminded us of our greenness and we were well aware that we measured up to our name "Green Freshies." As our class officers we chose: Sybil Poole, President; Kathleen Bryant, Vice-President and Fon Edmonds, Secretary and Treasurer. We were represented on the Student Council by Bertha Edwards, Ruel Weas and Helen Meredith. We had an up and coming star on the basketball squad Bernard Huges.

By our second year we had improved a little and had become silly Sophomores. We weren't much better off, but at least we could tease someone else now. We chose for our Student Council members Carolyn Bruce, Bernard Hughes, and Kathleen Bryant. We also chose some very reliable class officers: President, Sybil Poole; Vice-President, Betty Bonham; Secretary, Janice Millsbaugh; and Treasurer, Wilma Haynes.

We were well represented on the basketball team by Bernard Hughes, Tommy Mayberry, Paul Carroll, and Carl Johnson. The Cardinal hopes were inspired by our Sophomore cheerleaders, Betty Bonham and Carolyn Bruce.

As Juniors we entered school with our enrollment decreased to 59 but it did not discourage us from working for the prom. We certainly believe the Seniors were pleased with our efforts.

Our class officers this year were: President, Sam Wallace; Vice-President, Alice Austin; Secretary and Treasurer, Betty Whipple. Carolyn Bruce, Evelyn Martin and Ruel Weas represented us on the Student Council.

We were represented on the basketball team by Bernard Hughes, Harold Hughes, Paul Carroll, Carl Dixon, Carl Johnson and Verl Lack. We were right in there yelling and giving them our support with the help of our cheerleader, Betty Bonham.

Here we are, Seniors at last! Our journey has almost ended with our enrollment decreased to 48. This year we chose Paul Carroll, President; Billie Whatley, Vice-President; and Donna Moye, Secretary and Treasurer. We were represented on the Student Council by Bernard Hughes, Novella Jones, and Ruel Weas who is president of the Council.

In this, our Senior year, we are still contributing talent to school activities, on the basketball squad, Bernard Hughes, captain, Carl Johnson and Paul Carroll. As a cheerleader we have Lela Scott.

CLASS PROPHECY

Ring-a-ling, Ring-a-ling. Hello Norris City. Is that you Joann? This is Fonny. I was wondering where you were. Did you say Mary Jane Spence was working at the switchboard too? Does Betty Lou have a phone? She does. Would you ring her for me, please?

Hello, is that you Betty? I just thought I would call you since I am at home visiting. I thought we could discuss what has become of our class these last ten years. How is your beauty shop making it? Did you know Carl Dean was married just two weeks after graduation? I saw in the paper where Bernard had made a very famous basketball coach and is back at N. C. H. S. teaching. I guess he liked basketball so well he had to make it his profession. I received a letter from Carolyn last week. She is proprietor of Harper's Meat Market. She said she had some new neighbors, Mr. and Mrs. Hedger, the former Audra Satterfield. They now have three little "opossums" running around.

Did you say Vearl Lack was crew foreman at Texas Eastern, replacing his father? And his secretary is Kathleen. I can understand why she doesn't need her Shorthand and can take dictation on the typewriter. Maybe it's because Vearl is so efficient at dictating.

Oh, yes, Jack DeLap has gone into research trying to find out who was driving the Mule Train. The next time you are taking a trip toward Enfield, be sure and stop at "Healy's Munch Mansion," where the former Novella Jones sells candy kisses.

Are you planning on going to the Alumni dance at the High School? I heard the music was to be furnished by Philip Veatch's swing band with Sam Wallace as vocalist.

Did you say Charley Davis now has his own radio program replacing Red Skelton?

I see where Billy Gott is making his profession at culling chickens. We have a new studio in town, owned and operated by June Edwards. Did you say Darroll McCarthy is having a grand opening of his skating rink this coming Saturday night? Do they still have a skating teacher every Wednesday night? Did you say Ruel Weas is the instructor now? While I was in Omaha visiting, I saw where Mrs. Nave, the former Ethel Mac Goforth has remodeled what used to be Eaton's Cafe, and has made it into a Teen Town. Did you know Carl Dixon finally settled down to running the service station which is connected on to the Teen Town, and as his skilled mechanic he has Bobby Walters. While I was in Omaha I met Calvin on the street. He had just returned from one of his big game hunting trips.

CLASS PROPHECY

(Continued)

Did you say that Bobbie Beam is running a barber shop in Omaha now? I hear Sybil has made a profession of being a P. E. instructor at Gossett. Did you say that Robert Rainey is running a pool hall at Texas City now? I went into the beauty shop that Maggie Smith used to run and guess who is owner now, none other than Dorothy Edwards. Did you say something about Harold Hughes? Why, haven't you heard? He and Billie Whatley got married and he is minister at the Baptist church in Omaha. Did you know that Ruby Edwards and Paul Carroll are holding dancing classes in their studio over Brownie's Grill. Margie McKenzie's picture now adorns the boxes of Flubbo-Bubbo Dog Food, owned and operated by Tommy Mayberry. The Dwight Wheelers (she is the former Lela Scott), have finally settled down and are raising a family.

Jane Henson has not settled down to any business but is giving the cold shoulder to people in Henson's Locker. Dona Moye and Bobby Holtzclaw have gone into a partnership running the "Cut and Curl Shop." Jean Wicker is president of the Young Women's Club and travels over the country making speeches. Kenneth Burch has formed a Roving Wolves Club, and they paint the town red three times a week. James Alldredge just ran the world's first four minute mile, but they took away his trophy when they discovered he had on roller skates. Janice Millspaugh is now the star of the latest Broadway hit, "The Saga of Honest John." Alice Austin has succeeded Mr. Phelps as Norris City superintendent; she has recently established an iron clad rule that no one can miss school for any reason whatsoever. Peggy Spence is busy preparing herself for being first lady of the nation. Emma Kennedy and Irene Pace are now famous for their invention of "Kinky-Curl" hair tonic, guaranteed to curl your hair with one application. Mae Campbell writes a society column, "Chatter Box" for the **Broughton Daily Blower**. Evelyn Martin has located her dream man. He was carried in on a "short" stretcher to the Ditney Ridge hospital. Well, I guess I have gabbed long enough. See you at the Alumni dance.

CARDINAL CAMPAIGN

In what proved to be one of the most successful Cardinal Campaigns ever staged, the Athenians emerged victorious by the score of 155 to 147.

With great enthusiasm the campaign extended from January 16 to January 24. Speeches, pep talks, and tears were among the highlights, as the Guestonians, led by the co-editors, Kathleen Bryant and Sam Wallace, met gallant defeat.

We must, however, extend congratulations to both groups for their fine spirit, sportsmanship and interest in making possible 1950's masterpiece, our Cardinal yearbook.

Three years ago last August we entered high school as very timid, green freshmen with a total of thirty-eight members. By our Sophomore year, we were more grown up and very proud; but were considered as the "Silly Sophomores."

We started the present school year with forty-four members. We have grown up quite a bit now and are considered as "Jolly Juniors." Our class is represented on the Student Council by James Coffman, Charles Gossett, and Ruth Bayley. We are very well represented on the basketball team by Kern Doerner, James Coffman, Charles Gossett, Joe Piland, and Wilbur Lack.

We are now looking forward to the next school year when we will be Seniors.

 Secretary-Treasurer Glenna Allen

'Twas a year ago last August when we meekly strolled up the walk to register as freshmen in the Norris City High School. Our enrollment was a hearty fifty-seven.

This fall was different; we could hardly wait until a date was set for the opening of school. Then we rushed hurriedly in for we were entering the long awaited and dreamed of place—Norris City's new school. My, but it was a lovely place!

We entered into our usual routine of school work, only this year much more satisfied and pleased.

Our class is highly represented on the Varsity and Junior Varsity basketball teams.

We are proud to claim Phyllis Gerdes, Maudé Miner and Alan Mears for Student Council members.

We enjoyed two class parties which were held on November 23, 1949 and April 19, 1950.

Our sponsors who have skillfully conducted us through this year are Miss Garrett and Mr. Davis.

STUDENT COUNCIL

President	Ruel Weas
Vice-President	Bernard Hughes
Secretary-Treasurer	Ruth Bayley
Sponsors	Mr. Larson, Mr. Blacker

Norris City High School's student governing body has completed its seventeenth year of service. Under the guidance of Mr. Blacker and Mr. Larson, the Council's work has become symbolic of democratic principles in operation since it was instituted in 1932. At that time, Norris City was the first high school in this area to have such an organization. Our council has been a leader in helping other schools to organize councils and to join the Illinois Association of Student Councils.

The duties of the Council this year have been as follows:

1. Conduction of all school elections.
2. School Calendar Committee appointments.
3. Club charters and organizations.
4. Home Room program development.
5. Orientation Day.
6. Had information booth set up for the local tournament.
7. Sponsor all-school parties.

Election of members is based on scholarship and leadership. The Council is comprised of two students from each of the classes and one apprentice member from each class. Meetings are held every Wednesday.

Two boys, Ruel Weas and Allen Mears, were sent to the state Student Council Convention at Peoria on April 21 and 22.

The band this year participated in many events. They played at Dairy Day and Corn Day. The band journeyed to Carbondale to participate in a parade and concert at a Shriners benefit football game. They also provided entertainment at all the home basketball games.

Three of the band's members won a First Division rating at the district solo contest. They were Ada Johnson twirling the baton, Joe Piland playing the cornet, and Sammy Joe Wallace singing a vocal solo. These soloists competed in the state finals held at Champaign. Philip Veatch won a second division rating in the district contest; he played a trombone solo.

CHEERLEADERS

Students who wished to be cheerleaders this year tried out last fall before the P. E. instructors, Miss Garrett and Mr. Shoaff. The cheerleaders were chosen by the instructors for their ability and enthusiasm.

The cheerleaders chosen were: Lela Scott, Janice Hill, Velva Gholson, Helen Scott, and Peggy McCaleb. Attired in uniforms of white blouses and sweaters with red corduroy skirts, the girls led the student body in peppy yells and songs. In assembly, pep meetings and at ball games they were always faithful in boosting and arousing school spirit. Their untiring efforts were also demonstrated by the many new yells they introduced to the student body.

GIRLS' ATHLETIC ASSOCIATION

President	Kathleen Bryant
Vice-President	Jean Wicker
Secretary	Evelyn Martin
Treasurer	Joan Crouch
Sponsor	Miss Garrett

The G. A. A. is an organization whose object is to stimulate interest and participation in girls' athletic activities by promoting training in recreation, health, and sportsmanship. Its membership is open to any girl in school. Nearly all girls in school this year joined. Regular meetings were held every other Monday during activity period.

New members were initiated in October. As usual, the girls had to wear tacky clothes to school and to the initiation that night. After the initiation ceremony all were served refreshments of hot dogs, chili, and cokes.

In order to raise money this year the club purchased an electric popcorn machine and sold popcorn during the noon hour and at ball games.

The girls planned various activities for the year. Several girls attended the fall and spring play days sponsored by neighboring G. A. A. clubs. On February 9, six girls attended a sportsnight at Harrisburg, Ill., to play basketball. The annual Mother-Daughter Banquet was held in the spring. Intramural activities were held every other noon hour to give the girls a chance to earn points for G. A. A. awards. Also, each senior girl who had been in the G. A. A. for four years was given a school letter at the end of the year.

DRAMATICS CLUB

President	Dona Moye
Vice-President	Virginia Frederick
Secretary-Treasurer	Billie Whatley
Sponsors	Mrs. Thompson and Mr. Prince

The purpose of the Dramatics Club is to promote wholesome entertainment, (to promote harmony in all worthwhile undertakings and accomplishments) and to further interest in the stage and theatre.

The clubs dramatized and acted out three one act plays: "Gone About Girls," "The Farmer's Daughter," and "Twelve O'Clock Murder." The first of these was a comedy, and featured the problems and trials of a high school basketball star who was having romantic difficulties. The second was an old-fashioned melodrama, and the last was a very stimulating and hair-raising mystery.

The club consists of boys who are taking courses in Vocational Agriculture. The purpose of the club is to develop and teach boys to be good farmers and always be fair in the game of life.

The various annual activities of this club are entering section and state livestock and grain judging contests, parliamentary procedure contests, attending F. F. A. state conventions, and livestock and grain fairs.

BACHELORS' CLUB

President	Paul Carrol
Vice-President	Bernard Hughes
Secretary-Treasurer	Carl Dixon
Sponsor	Miss Buddenbaum

The freshmen and senior boys were delighted to find that a new club had been formed exclusively for them. The Bachelors' Club was formed for the purpose of instructing boys in the principles of home economics. The club's first year was one of progress and we are sure it will continue to have many successful years.

LIBRARIANS

The new library is a spacious room with book shelves on three sides and windows forming the fourth wall. It is the center of studying in the school but also provides reading for pleasure as well as for knowledge.

Librarians were appointed at the beginning of the year by Miss Forchee, library director. The students who have served in this capacity faithfully and conscientiously are: Irene Pace, Kathleen Bryant, Sybil Poole, Joan Crouch, James Coffman, Bob Beam, and Charles Gossett. Each takes care of the library during his study period.

Our school has a de-centralized library system whereby books for specific subjects are located in the proper classrooms. Encyclopedias and dictionaries are used in the classes, as well as current magazines. Fiction and non-fiction literature, reference books, atlases, and magazines found in the main library are constantly being increased by new additions.

INDIVIDUAL BASKETBALL WRITE-UPS

BERNARD HUGHES—Bernard climaxed four years of stellar play for the Cardinals by captaining the 1949-50 team. One of the better players in high school basketball circles, Bernard will be missed by next season's aggregation. His floor generalship and scoring punch were valuable assets to the Cardinal offense.

BRUCE JOHNSON—Bruce, flashy forward, proved to be quite a "thorn in the opponents' side." His deadly shooting earned him a place on the starting five, though he was only a sophomore. Bruce is expected to be an important cog in the Cardinal machine next year.

KERN DOERNER—Kern, tallest man on the squad, was a key rebounder for the Birds. Steadily developing as the season progressed, Kern racked up many points from under the basket. Cardinal fans are glad to note that Kern has another year to patrol the backboards.

CHARLES GOSSETT—"Skipper," a dependable guard and possibly the long shot artist on the squad, was one of last year's veterans who helped provide the experience that this year's team needed. Charlie's point total wasn't high, but the defensive steadiness and coolness which he displayed contributed to his teammates' baskets.

CARL DEAN JOHNSON—A Senior, Carl Dean is another boy who has given four years of good basketball to Norris City High. His experience and dribbling ability were needed in several tight spots. His team spirit and "never-say-die" attitude will be hard to replace next season.

PAUL CARROLL—Paul, scrappy forward, was a valuable Cardinal this season, defensively as well as offensively. Not only did he carry his share of the scoring, but he could always be counted on to hold down one of the tough opponents. Paul set a good example of fight and will to win for the 1950-51 team to follow.

WILBUR LACK—"Bud's" rebounding, both offensively and defensively, contributed greatly to the Cardinal cause this season. Although he seldom shot, his aim was extremely accurate. The experience and poise which he gained will give added punch to the 1950-51 edition of the Cardinal basketball team.

JAN SMITH—Jan, a steady guard, improved with each game and proved that he will be hard to stop his two remaining seasons in school. Only a sophomore, Jan's accurate basket eye and dependable ball handling contributed much to the Cardinal victory.

JAMES COFFMAN—With three years' experience and his deadly left hand, "Coffy" should be a serious threat to opponents next season. James' speed and smooth shooting helped roll up the Cardinal score in many games this season.

JOE PILAND—Improving as the season progressed, Joe developed into a very dependable pivot man. One of the better passers and feeders on the squad, Joe was particularly adept on the old "guard around" play. His height and rebounding should be heard from again next year.

DREW JOHNSON—Drew, only a freshman, gained that valuable experience which should make him a valuable asset for the next three seasons. His shooting and ball handling ability promise to be heard from in the future.

LAVERNE HAMMOND—As the season developed Laverne proved to be one of the scrappiest players on the squad. Already a good rebounder, he shows promise of developing into a smooth player and scorer in his two remaining years as a Cardinal.

COACH OLIVER SHOAFF—Coach Shoaff, the leader of the '50 Cardinal Club, had the Cardinals instilled with enthusiasm, drive, and fighting determination—which they displayed from the opening whistle. His team showed the poise and coolness under fire which indicates good coaching. Mr. Shoaff, a coach who not only knows how it should be done, but can show the boys how to play the game, proved in his first year of coaching that he has prospects of a bright future.

"B" SQUAD

The squad of Freshmen and Sophomores was organized this year for the purpose of giving the younger ballplayers a chance to get more experience. This early training is beneficial to both the boys and the future varsity teams.

JUNIOR VARSITY

One of the highlights of this year's basketball season was the Junior Varsity squad which is composed mostly of underclassmen. They won 11 of their 19 games and 7 of their last 8. During the latter part of the season they rounded into a smooth functioning team and showed excellent prospects of a winning team next year.

TRACK OF '49

The 1949 track season opened with our first meet held at Eldorado. In this first meet the Cardinals made a good showing by winning second place. During the rest of the season the Cardinals participated in meets at Carmi every week.

Bernard Hughes and Wallace Campbell attended the District Meet at Bridgeport.

Bernard Hughes just missed going to the state twice by finishing third in the High and Low Hurdles.

In the Freshman and Sophomore meet at Carmi, Arthur Bradshaw won the half mile in the fast time of 2:14.

The Sprint Medley Relay team took fourth place in the same meet.

With several letter men returning next year, the prospects look good for the 1950 track season.

VARSITY BASKETBALL

The Cardinals opened the 1949-50 basketball season November 16, with a loss to New Harmony. After losing the next two games they defeated Grayville by a score of 53-48. Hard luck hit the Cardinals as they lost their next six games but on Jan. 13, they turned in one of the biggest upsets of the season when they defeated the Eldorado Eagles 46 to 44. In the Blind Tourney they defeated Grayville 26 to 25 in the first game but lost to Crossville in the championship tilt. On February 8th, the Cardinals began to show marked improvement and defeated Allendale 53 to 38. After losing a close game to Grayville they bounced back to defeat Carrier Mills 50 to 48. They continued their winning ways by defeating Equality 43 to 39.

During the entire season improvement was evident and during the last of the season the Cardinals began showing their true form of basketball. Throughout the season they showed the fighting spirit, win or lose, and good sportsmanship, which is the conduct of any and every successful ball club.

REGIONAL TOURNAMENT

This year marked the first year that Norris City High School has been the host for a Regional Tournament. The new 3,500-seat gymnasium provided ample seating space at all the games. The large and beautiful playing floor and the spacious dressing rooms for the players were other commendable features. Plenty of entertainment besides the basketball games was provided, including an electric organ. All of this combined with brilliant basketball made the tournament an unforgettable success.

Ridgway defeated Harrisburg in the first game of the tournament by a score of 45-43. It was one of the biggest upsets of the tournament. In the second game Eldorado defeated Mills Prairie 64-39.

On the second night of play Carrier Mills slipped past the Cardinals in the final minutes of the game to win by a score of 46-43. In the second game Equality defeated Shawneetown 74-49.

In the semi-finals Eldorado defeated Ridgway 66-41. Equality earned their way to the finals by defeating Carrier Mills 61-57.

Eldorado, showing expert marksmanship at hitting the hoop, defeated Equality 69-39 for the Championship of the Norris City Regional Tournament.

BLIND TOURNAMENT

The Blind Tournament was the first tournament held in the new Norris City High School gymnasium. The four teams in the tourney were Crossville, Edwards County High, Grayville and Norris City.

The drawing matched Crossville against Edwards County in the first game and Grayville versus Norris City in the second game. Crossville pulled the biggest upset of the tournament the first night by defeating Edwards County High 54 to 46 in overtime. Norris City came out on top of Grayville 26 to 25 in another close and thrilling game.

On the second night of play Edwards County defeated Grayville in the consolation game by a score of 55 to 20. In the championship game the Crossville Tigers managed to pull away from the Cardinals in the final minutes of the game and win 40 to 33. In the four years of the Blind Tournament Crossville has been the only team to win the championship twice.

BOYS' INTRAMURAL

One of the outstanding extra-curricular activities of the Norris City High School is the intramural program. It is organized every year to give every boy in school a chance to participate in sports.

During the varsity basketball season an intramural basketball schedule was arranged. Nearly 75 boys made up the nine team league. Each team played eight games during the noon hours. Members of the Varsity squad officiated the games.

GIRLS' INTRAMURAL

The Girls' Intramural, sponsored by the G. A. A., is held every other noon hour. During this time the girls participate in many different sports to earn credits for G. A. A. Some of the sports for this year were girls' basketball, volleyball, badminton, and softball.

Two tournaments were held in basketball. One was a round-robin tourney with six teams participating. The teams were: the Freshman team, "Heap Big Smokes," captained by Margaret Kinsall; Sophomore team I, "The Wolverines," captained by Janice Hill; Sophomore team II, "The Red Birds," with Joyce Wilson as captain; the Junior team, "The Wild Cats," captained by Eddie Kinsall; Senior team I, "The B-Bobs," with Emma Kennedy as captain; and Senior team II, "The Shawnees," captained by Sybil Poole.

The other basketball tournament was an elimination tourney with a champion team from each class participating.

Other tournaments were held in volleyball, badminton, and softball with teams chosen from the four classes taking part.
